

The **FliPak®** family offers multiple container sizes with attached hinged covers that prevent expensive loss of product. These containers stack when closed or nest when open to provide the most efficient use of available space on the manufacturing floor, in the warehouse, inside a truck trailer or in the back room of a retail outlet.. Markets include health and beauty aides, pharmaceuticals, general merchandise, soft goods, fasteners, jewelry, office products, tapes and CD's, automotive parts, tobacco product and packaged grocery items. Many accessories and identification options are available, such as hot stamping, card holders, placards and dollies. See page 36 for more information.
